

Welcome to Lodge Creek Longhorns

June News

Lodge Creek Longhorns is excited to announce the return of Scorpion86! A big thank you goes out to our good parnters for bringing Scorpion back safely. We know all to well what that journey is like. We sure enjoyed our visit with them. It was shorter than originally anticipated but nonetheless wonderful! Scorpion will be going to work shortly. As you may have noticed we have received a few new cows. With all of this new growth we have decided to part with a few. Check out our updated 'for sale' page! You will be surprised with what we are selling... I still am! :)

We received an abundance of moisture the beginning of Spring. So much in fact, It had created some challenges for us to get into the fields. We are very thankful that we were able to get all of the seed in the ground. However, mother nature has thrown us a few unexpected curve balls at us. All of that moisture we received early on has all but dried up. A pretty big system hit us. Unfortunately, it was all wind. Now when I say wind I am not talking about a nice breeze. We had gusts up to 60 mph that lasted for hours. You don't have to be a farmer to understand how bad that must've been on our crops. BUT... we are holding on to some hope that some of our crops are salvageable. We are now praying for some rain! I think that the story of any farmers life. Rain is a GOOD thing! I am confident that everything will work out though! We will be busy haying, spraying, and fixing loose ends for the next while. Before we know it, it will be harvesting time. I will do my best to keep you all posted on Facebook with the new happenings here at the farm & ranch! If you haven't 'liked' our page yet, do so now!
