

Welcome to Lodge Creek Longhorns

October News

Where has this year gone? Time is just flying by. We have started to prepare for winter at Lodge Creek Longhorns. We are in the beginning of October and our first snow fall has begun. We are so thankful for the moisture. It is such a blessing considering the drought we have been in this year. During the latter part of the month we will begin to wean our calves. That is always one of my favorite times of year! The Horn Showcase is under a week away. We will begin our journey down to Oklahoma earlier than anticipated so our animals can get acclimated. We will be at the Horn Show Case (Lawton, OK) Oct 4-7. A lot of work goes into getting these animals ready. I am fortunate to have such a wonderful partner. We hope your travels to the sale are safe. We hope to see you there! Check out our updated 'for sale' page to pick out which animal you'd like to add to your herd! You will be excited to see what we are willing to part with but you better hurry our inventory is quickly disappearing. You can also visit us on Facebook. If you haven't 'liked' our page yet, do so now!

- Scorpion Semen For Sale

Scorpion has been collected! You will now be able to add top notch bloodlines to your herd. Did you know that Scorpion throws purple roan... A LOT. We are offering a low price of \$100 per/straw. Don't let this herd changing possibility pass you by, call now! Scorpion won again at HSC 2016! This is the 3rd year in a row. Scorpion has won every time he has been entered! Not only is he 107.75 TH but he weighed in at 1600#s. Pretty good considering he had just been pulled off of the main herd here at LCL prior to traveling over 1200 miles to Texas. That bull never ceases to amaze us. Let his bloodlines amaze you too!
